

The Eco Club plays an important role in creating environmental awareness amongst the future generation. Eco club is a group of teachers and students dedicated to make our campus less wasteful, raising awareness for eco-friendly causes and promoting environmentally friendly habits like reducing, reusing and recycling.

Under the aegis of the club following activities were conducted:

A plantation drive was held on 11<sup>th</sup> July 2022 where students enthusiastically planted varied variety of plants in the front lawns of the school.

On the occasion of Independence day Vrikshabandhan drive was organised to celebrate Azadi ka Amrit mahotsav. It was conceptualized as a way to honour the greens that give us life, by embracing and tying a Rakhi to trees with a special message of love and promising to protect and nourish them.

PowerPoint presentations , poster making/ slogan writing was organised by eco club.

Eco Committee in future strives to engage the entire student community for environmental and sustainability issues .
